ABOUT ME

Over 1.5 year of full time experience in web development as backend developer. Excellent HTML/HTML5, CSS/CSS3, JavaScript, JQUERY, YII2, AJAX, Bootstrap skills for implementing web technologies. Well knowledge of Object Oriented Programming (OPP).

WORK EXPERIENCE

Dec 2019 – Apr 2020 Chandigarh	**Brihaspati Infotech** Php Developer Started my career as a trainee in this company. But it is not like a company, like a family. I learnt frontend & backend development. Not like as pro developer but basics like (HTML, CSS, BOOTSTRAP, JQUERY) for frontend and (PHP) for backend development. And applied on existing projects as well as samples.
Jan 2021 – Present Chandigarh	**Toxsl Developer** Web Developer I have completed two ecommerce website projects one of them with the seniors and another one done by myself. First one zstash.co and second one veggsavvy.com both are multi vendor website.
